Presidents Report

Hi Everyone

Well with only one more game left for the home and away season, there is still time to show your support for the club at our last home day for 2007 on Sunday. It would be fantastic to end the season on a high so set some time aside to enjoy some hockey and feast on the BBQ treats.

The exciting news is that the season is not quite over yet for the State League 4 girls who have made it into the finals. It would be fantastic to have as much support from members of the club at their games as possible in the coming weeks. So I hope to see you there.

So the hockey season is coming to a close and you are wondering what you are going to do with your time over the summer months, well why don't you come and play in the summer hockey competitions. If this is of interest to you then complete an expression of interest form from me and stay tuned to the Swinburne Website for more details. In the past we have had men's, women's and mixed teams enter, and it caters for all abilities.

The Trivia Night which was held last Saturday (25th Aug) night was a fantastic, with over a hundred people attending, and I am pretty sure that they all had a great time too. I must say a huge THANK YOU to all those people who helped out organising the event and who worked on the night, without you the night could not go ahead. A special thank you needs to go to Gareth for being the MC on the

night. Also to those committee members and club members who kindly donated a baby photos for one of the questions, you all were very cute.

I would also like to say another thank you to those people who gave up some of their spare time to come down to Swinburne on Sunday to help out at the Open Day. It was great to have such a strong showing from the club.

Presentation Night for 2007 will be held on Friday the 28th of September, so make sure you put this date into your diaries now. In the past it has been a very enjoyable night for all. To make sure you don't miss out on the details for this great night keep checking the Swinburne Hockey website or simple join the yahoo group email.

I hope that you have all had a great season this year and look forward to seeing you at the girls finals games, over the summer and or back next year for the 2008 winter season.

All the best

Donna

Trivia Night

Well, it was a rush getting from the game out at F-1 to home and then to the hall for a 7:30pm start but we made it. We even got dinner. We arrived and picked up our ticket, reserved our table then headed down to the Riversdale for a coffee. We'd been told there would be over a hundred people in attendance so we had plenty of time.

As we were walking back to the hall there was just this stream of people arriving from no-where with food and drinks galore. I got the feeling we'd under catered for the event. Was great to see the hall filling up so quickly.

The hall looked great! Lots of large tables for everyone. Enough lighting to see what's going on but not too much to show everything! The baby photos up in multiple spots so that we weren't all crowding around the one spot. One of the best bits was the photos projected up on the wall while we waited.

The rounds started with our wonderful MC for the night Gareth. The with questions projected up on the wall it made it so much easier. If you missed the question being read out then you just had to read it off the wall.

The night progressed with many deals being made around the baby photos. "I'll tell you mine if you tell me yours". Some of the tables having a distinct advantage over others with up to 3 people on the wall being on the table.

End of Round 2 and "Old Spice" have a hefty lead. Looks like they're going to take out the title again. Time for some games! Game of the moment was cards. Prize was a bottle of jager. At the price of \$1 to enter we had many takers. After a few false starts we were well into it. Didn't take long for the field to be whittled down and the eventual winner announced.

On with the next two rounds. The next game consisted of mumifying your partner as much as possible with a roll of toilet paper. It was a close one the end result coming down to the vote of the masses. Winners received two bottles of wine. By this stage "Old Spice" had extended their lead even further (we suspect them of cheating).

Last two rounds and another game while the results were tallied. This time the game was skins. One partner had to put on a pair of stockings over their trousers and the other partner had to thread a ball up one leg and down the other the fastest (the feet were cut off the stockings). After much controversy the winners received two bottles of wine.

Now for the results (drum roll please). Funnily enough "Old Spice" were the defending champions taking home a box of wine to share.

Goal Scorers Tally

Well the goals have been scored and with only one game left to go in the season I bet you'd love to know how many you need to score in order to take out the title. Well, you'll just have to wait until Presentation Night to find out!

The raffle was drawn and people filtered off home. Was a great night! Look forward to seeing if next year's committee can top it again!

The defending champions "Old Spice" – Smarty, Emma, Anna-Maria, Matty, Julie, Andy, Braden, Rhonda, Mario & Shelaani.
